Format Descriptions

Putting Combine

Small Hole Putting	String Putting	Distance Control
Place Objects on outsides of hole redoing hole width to no more than 2 inches. Make 5 putts each from 3 feet, 4 feet and 5 feet. Track how many putts it takes to male 5 at each distance	Find a straight 8 foot putt, use chalk line or string to indicate intended line. Start with two balls at 3 feet, Move back 1 foot after making two. Balls must stay online throughout length of putt.	Place Tees or alignment rod 3 feet behind hole. Every ball must stop between hole and the rod. Putt 3 balls each from 5, 10, 15, 20, 25, and 30 feet. Document how many putts to complete.
10 Foot Test	Document how many putts it takes to make total of 12.	
Find straight 10 foot putt. Make 15 attempts. Document how many putts holed. Do for both uphill and downhill putts.		

Chipping and Pitching Combine

All Clubs - 1 Target	Random Target - Same Spot	Ladder Drill
Find spot 2 yards off green, hitting towards a flag in middle of green. Take 10 shots, one with each club. Document Results	Find spot 2 yards off green. Hit 10 shots to 10 different targets	Hitting from 2 feet off green, place 8 tees 3 feet apart from each other in a line, the first tee 3 feet from edge of the green creating 8 “zones” With same club hit chip shots flying the ball into each zone. Goal - complete in 12 shots Repeat with all wedges.
Air Traffic Control	Up and Down Practice	
Find area 10 yards off green hitting to a flag in middle of green. Using same wedge hit 10 shots with a high trajectory, mid trajectory and low trajectory. Document number of shots completed, and average proximity to hole	Using 3 golf balls Hit from same spot to same target, attempt putts afterwards. Repeat 6 times. Two spots must have flag less than 8 feet from edge of green. No more than two shots from within 3 feet of edge of green. Must use all wedges at least once.	

Bunker Practice
